

FOUNDATION ROOM DRESS CODE

On any given day, guest attire ranges from business suits and dresses to fashionable jeans and t-shirts. House of Blues would like to thank you for not wearing tank tops, sleeveless shirts (men only) flip-flops, gym wear or casual shorts, which are not permitted in the Foundation Room. Dress shorts are acceptable.

The Foundation Room Manager reserves the right to consult with you on appropriateness of attire. When traveling to other Foundation Rooms, please ask your Concierge for the local dress code guidelines, as they may vary slightly reflecting what is appropriate in each city during each season.

From time to time, you may see celebrities and touring talent outside the dress code. These are rare instances and exceptions will be judicious.
